YEAR'S FLIGHT

Parents Fritsai, I've  
 always wanted to know you  
 ever since I came back home when  
 you used to come to the "Hilongkai"  
 you and your sister I don't know why but really  
 how odd and higher I and rough of... well so  
 planned by the baggage (it) any way... I met  
 wondering... how was it? ... I couldn't get over  
 And that very night I just down to sleep. You  
 friendly and evening I lied found! You invited  
 when I saw or the father's barack! I was sorta  
 some show in the same but for a few days  
 loved over I remember, go over we used to go  
 me "hazubashi" and didn't supper we used to go  
 Every night all counts to play. There, to  
 to the center seemed to be before. I introduced  
 in the center where you were sure was  
 hasn't it there day... and the rest (you) card  
 And then I thought of you learned a lot of card  
 liked that you guess too that I was a  
 guess that you I guess too that I was a  
 tricks and guess even touch those kind  
 queer ones I guess even touch those kind  
 I too wish you were getting along? so that  
 better (I would like to see you) we kinda  
 It was sure introduced into our lives.  
 those others those (cheek) things that still  
 Boy can't I remember those unknown things were brought  
 And to those inside I wish they were  
 had us (I would like to see you) we kinda  
 heat as they only too, all the time, was it?  
 as well eyes (I would like to see you) we kinda  
 to their that I remember evening of the most and others?  
 around thing summer evening of the most and others?  
 One that I know, where I was, remember?  
 that I don't know, where I was, remember?  
 and sure felt that made us so cool  
 that any way - can  
 you tell me?

# The Eagle

Soaring high where cloud-winds blow  
The eagle spies and the scenes below  
Myriad lakes and burning sands,  
Craggy cliffs and sea-kissed strands.

Screeching, crying  
Oftimes flying  
Where wind-cleft crumbling mountain rims  
Stand buffeted by sun and storm-clouds' whims.

Wheeling, turning  
His gold wings burning  
So near the blazing flame of sun,  
The lonely eagle ventures far, returning When the day is done.

Oft atop the summits, free,  
The eagle claps the lone retreat,  
And watches with unflinching eyes,  
The azure world lying at his feet.

Dear Mitzi.

July 21, 1943

Well, I am privileged to write in the book. I only hope that some folks doesn't get sore at me for writing in this annual.

I'm taking this page because it has a lot of writing on it already.

See all your friends are leaving, aren't they. Mary is leaving tomorrow. And she's leaving early, what a sure, but she'll be with you. Your book of friends has a lot of writing on it already.

# CONTENTS

You probably have had many exciting moments and probably forgot little ones like me. When ever you have nothing to do think of that "jerk" (as some call me) that you met in Seta.

Well, here I am again, Sept 18, 1945. I'm awfully sorry I never finished writing any more.

Well, now you probably think I'm only kidding when I do so. But sometimes it is a fine thing to have people know all over asking questions about everything I'm just a big dumb boy I guess! (Well, don't tell me!!!) Now I am almost to the end and I'll always remember you as a good <sup>man</sup>. You're really "tops" in every thing.

P.S. Lots of love to a real swell person

Dear Mitzi - It's really been a great pleasure knowing you. I want to wish you the best of every thing. For you certainly deserve it.

Most sincerely,

# Foreword

History is being made in all corners of the earth. Butte High School, in this remote corner, has been making history, too, playing a significant role.

The development from empty barrack rooms on desert sands into a recognized institution is a tribute to the tireless efforts of the students and teachers.

We present a permanent record of the cherished memories of the activities and services of our school's first year, in this, our first annual publication ~

Dear Mils—

You know I'm a simple guy, but this is straight from the heart. You're one of the finest girls I've ever had the privilege of knowing. Mitsie your all helpfulness, kindness, fun and so good all the way through that I'll always think of you as the girls who didn't have a mean streak in her.

Thanks a million for your help, morally, physically and mentally on the annual, you certainly deserve a host of credit. Whenever there were any jobs to do around the annual room it was always Mitsie & Mary who were so eager to help out and old tired man like me.

Jucky "Butch" it's no wonder he likes to do things for you, golly how can he help it. (Don't let him rot this, but you've sure made a good man out of a swell guy.)

I won't be here next year, but I'll never forget you as a dear friend.

DEAR MITSIE,

WHO WOULD HAVE EVER DREAMED THAT I WOULD BECOME  
SO WELL ACQUAINTED WITH MITSIE KOYAMA WHEN SHE WAS  
ALMOST A STRANGER TO ME AT THE BEGINNING OF THIS SEMESTER.

WELL, THANKS TO BUTCH AND THE CLUB, Y CODES, I'VE HAD THE  
PLEASURE OF ASSOCIATING WITH YOU, AND BEING ABLE TO KNOW  
THE INNER YOU. WHAT A DEEP TREASURE YOU ARE. YOU MAY NOT  
REALIZE IT, BUT ~~YOU~~ <sup>YOU</sup> I'VE LEARNED SOMETHING FROM MY

FRIENDS <sup>IN THE</sup> ~~THAT~~ <sup>WHICH</sup> YOU WILL BE INVALUABLE  
TO ME. THE MORE I ASSOCIATE WITH YOU, THE MORE

FIRMER GROWS MY CONVICTION THAT YOU'RE A SWEET GIRL AND  
THE FONDER I BECOME OF YOU.

WHATEVER YOU DO, REMEMBER THAT YOU HAVE MY HEART  
IN THE PALMS OF YOUR HAND AND THAT YOU CAN HELP  
MAKE HIM OR BREAK HIM.

SINCERELY,

## Carry On

Mitsie,  
It's been swell  
knowing you over  
your high school  
years.  
Always,  
Alvin

Dear Mitsie,  
I wish you loads  
of luck in all your  
future years.  
Sincerely,  
Frances Ogawa

Our senior year greets us as we regretfully leave our junior year behind, recalling our eventful calendar of many successful activities. Led by president Jim Araki the juniors sponsored a "K. D." Please social, and also the "Maytime Hop" which was highlighted by the coronation of the "May Queen." As the last page of the social calendar a "Junior Senior Prom" was sponsored by the class, honoring the graduating students.

Because Mr. Biggs our advisor and friend departed to heed Uncle Sam's call to arms, we were under the advisory of Dr. Reagan for the rest of the semester.

We, the junior class, are now looking forward to an even more successful and active year as we "Carry On" in the footsteps of the class of '43

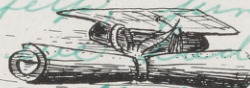

Dear Mitsie,

Here I have a whole page to write on and I can't express myself in words. Well, here goes anyway!

Everyone seems to have said it but I would like to get my two cents worth in so here it is. Here's wishing you the best of luck, success, and happiness in the years to come for you deserve it and that's no lie.

It sums all this time I have known you I have taken our friendship for granted. I never really told you how swell it has been in knowing you for the past two years. Well it has been super! You can't imagine how much I have enjoyed your company, telling fun, etc. Remember in Tulare, the fun  - on our graduation night, Typhoid shots, volleyball, etc, but what's more the first two days after arriving there. Then all the things we have done together over here in our dear home in the desert - Gila. Yes, we have had some unpleasant incidents, misgivings and everything but it has proven to tighten our bonds of friendship closer. The times I will remember most is these last few weeks.

Oh yes, I wish to express my sincere thanks for the time and help you spent in helping me for both carnivals and our L.H. party. Really I don't believe I could have done it if it hadn't been for you.

May you always remain as sweet and adorable as you are. Remember me as the jerk I am \_\_\_\_\_.

As always,  
Gracie

Looking ahead with thoughts of aiding in the building of a better school and student government, the sophomores spread their young but eager wings, determined to accomplish a successful fly off and to "Take up the Torch" in life's unforgettable chapter of school and education.

The class took active part in all campus organizations.

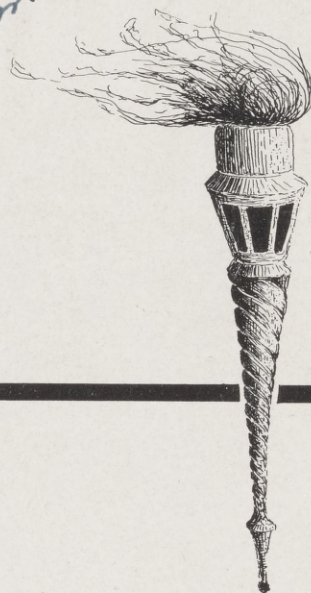

Yutaka Kyasu was the Sophs' voice in the Student Council as their representative. Arthur Sasahara was elected prexy first semester and Ben Tamaki was president second semester.

Dear Mitzi

Sweet Mitsie,

Almost a year has gone by since we arrived in Eila to make our temporary home here, and a year of school for us has been completed. During this brief period, I <sup>have</sup> had the pleasure of acquiring your acquaintance, and ~~the~~ <sup>honoring</sup> to be

# FROSH

accepted <sup>into</sup> your inner group of fine Tulare kids. I am happy and honored to have a friend like <sup>you</sup> a friend so genuinely sweet & wholesome.

# Prepare

I am glad that I had the privilege of meeting you in U.S. History class, and had the opportunity of working with you in class, the Girls' League, Carnival, Prom etc. & you've been so cooperative and industrious. I often hoped that there were more like you, and Mary, Gracie, Sachie, Teri, Keiko, etc. in our class, but you and those girls helped us so very much, & it made serving you as a class officer a lot of fun. I'll always be thankful to you.

You have a glorious future before you, Mitsies, because you have all

that is needed to succeed. Of course, it is your smile that "gets" everyone — your sweet & delightfully charming personality. It's winning you countless friends, and friends are what counts for success.

Next year, we will be seniors and I hope

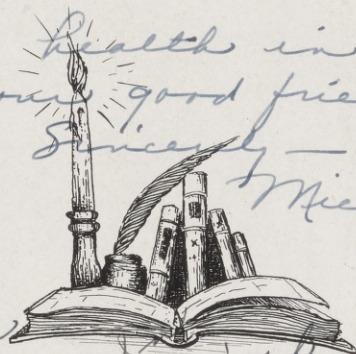

With the thought of "Be Prepared" in our minds we greenies started our campus life by making new friends and trying to take active part in the student government and all school activities.

Our first social the "Freshmen Get Together" held the top spot on our social calendar. Under the advisory of Miss Kodani and Mrs. Kersey and such able class leaders as Hoover Hiroto, Tats Matsushita, and Alice Kinoshita, we end our freshman year with the satisfied feeling of a job well done.

It will be a fruitful year. I hope you will have an opportunity to play a greater part in the functioning of ~~the~~ student government, for you are one person who I have come to admire and respect for your initiative, whole-hearted cooperation, and dependability. With sincerest best wishes for our continued friendship, and for your ever increasing success, happiness and good health in the coming years, may I remain your good friend — always

Sincerely — with my love,  
 Michiko Niskina

Dear Mitzi,  
 Yes, it was a real swell meeting you in Tulare. I was one of the friendliest and cutest girls I've ever known. Tulare we used to go around with each other and Mary, remember? I was fun then. But later Mary thought I should go around with kids my age so I started going around with Connie and Jane. But I know your the same girl I used to know. As the years go by I know you will be a successful, helpful, sincere and etc. because of your personality. I wish you the best of luck and I'll be there always.

# Forward

With pride in our past work, with eagerness toward the future, we, the seventh and eighth grades look forward to New Horizons-four years in high school.

May the classes that go before us be our guide and inspiration, and the foundation thus far gained, prepare us for real leadership and active participation-binding us closely in the ties of friendship.

And may those years stimulate us to keep faith and ever "Look Forward".

# The Desert"

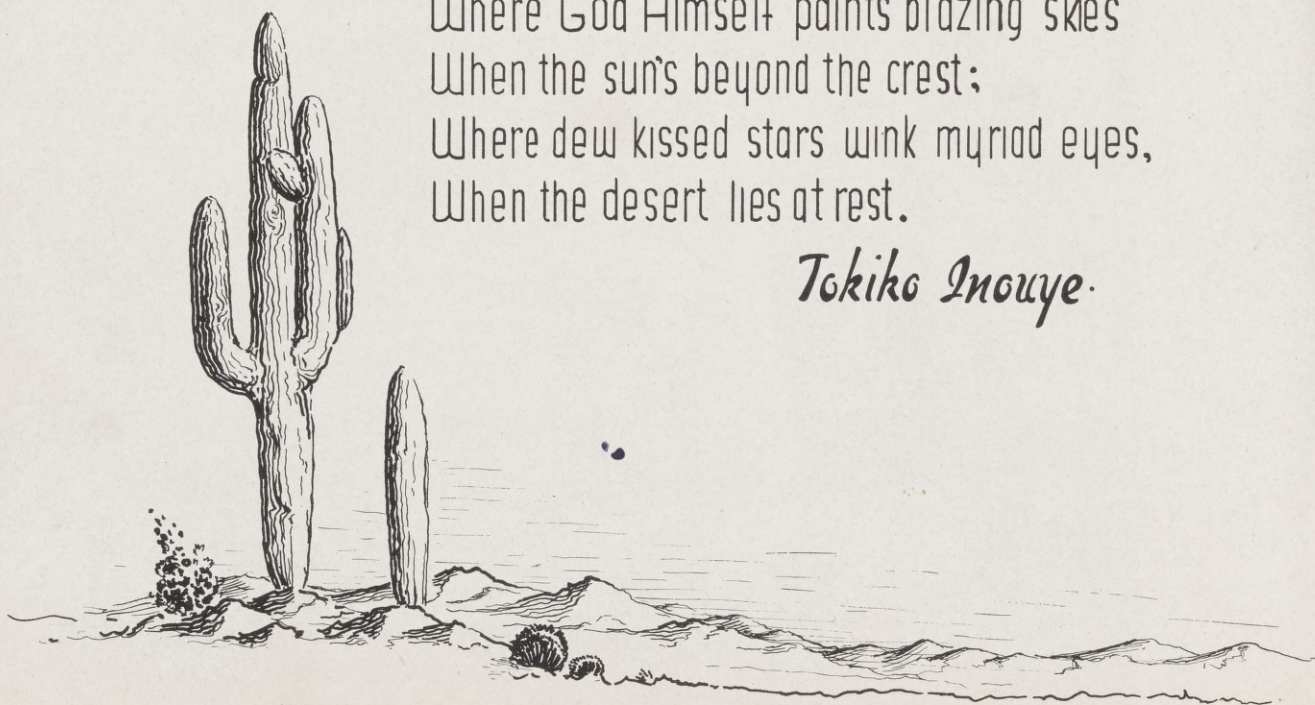

A wind-swept land of sage and sand  
And zephyrs blowing free;  
Where silvery strands and mesas stand  
As sentinels o'er the lea.

Where aged trees faint shadows cast  
Upon the parched dust;  
Where ringed columned cacti fast  
And sword-tipped branches thrust.

A drowsy land, long centuries spanned,  
Of prairies vast and wide;  
Where creatures banned from heaven's hand  
Lie sheltered, unespied.

Where God Himself paints blazing skies  
When the sun's beyond the crest;  
Where dew kissed stars wink myriad eyes,  
When the desert lies at rest.

*Tokiko Inouye.*

Dear Mitzi;

Remember that clear September Day when you stepped into "48" West Hall. If you don't, I sure do. I never forget that kitchen. That was really the first time I saw you. I was sort of scare at first to go over to your place, but I finally got up enough nerve to go so, I went.

Look, where I am now? Gee, but It's been swell ever since then. I only hope that you don't get mad at me for some thing that I do. I don't blame you for the others. There pretty bad things that I used to do wasn't it? Two swell person made me do the thing that was impossible and I think or I know I'll be forever grateful. I only hope that I can keep up my good way of doing thing and only hope, that I don't go back to my old way. I also had difficulty in choosing between you & Camp I Remember? Well forget it because I know what I'm doing and I chose the one & only. Well, I also like to wish you all the luck in the world and may your future years be as successful as the one's in the past.

The enthusiasm and love of America's favorite sport still prevailed as strong as ever as the boys of Butte High answered the first call for football practice.

Training was slow getting started because equipment was needed and a playing field had to be cleared and marked. After the long awaited equipment was obtained and the field was in readiness, it was "all out" for football. Thirty-five aspirants answered Coach Bell's call for practice.

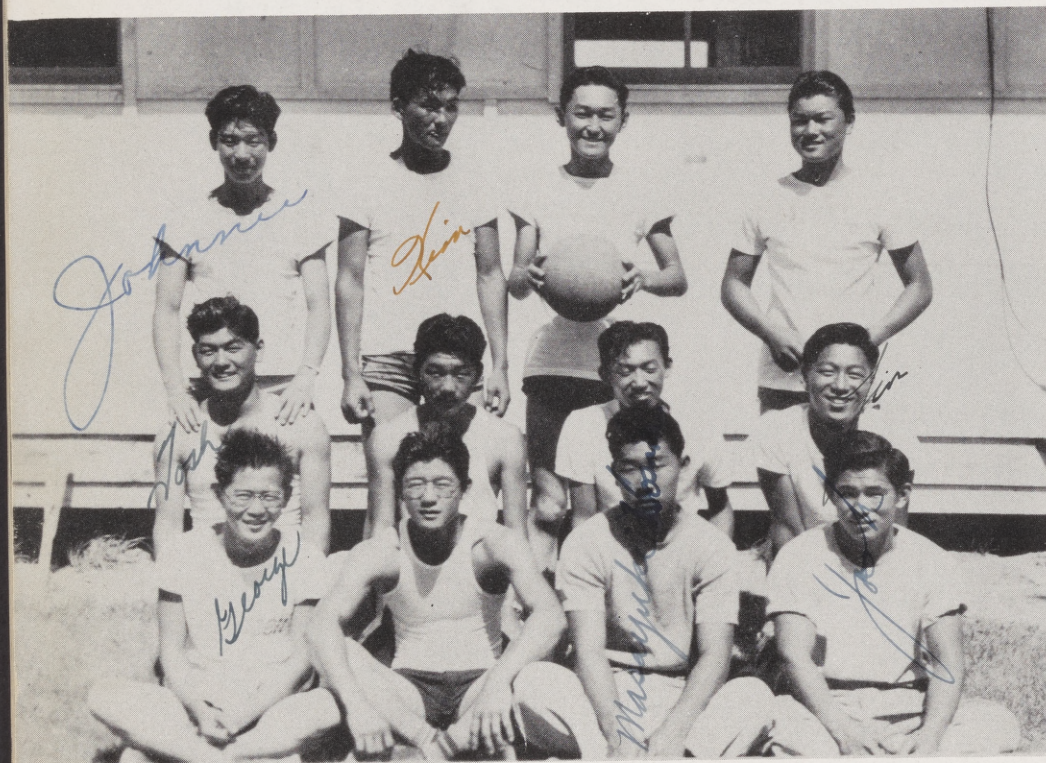

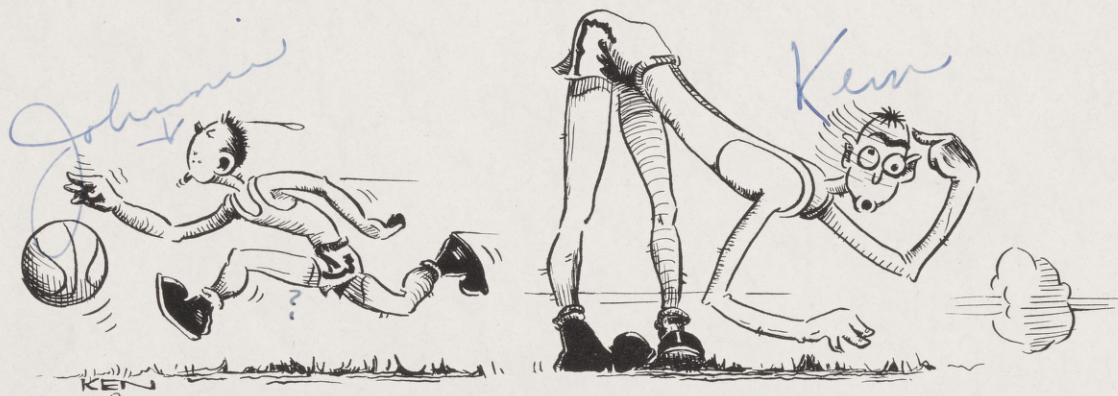

Under Coach Tosaya and captain elect Joe Komuro, the boys employed a "T" formation.

In the first inter camp contest the Eagles bowed to the Canal High eleven, seven to nothing. The two remaining games of the season with the heavier opponents from Canal ended in scoreless ties.

Although adequate equipment was unattainable and the team had to play touch football, the speed, daring, and aggressiveness was present in the team all season.

### Bee League Champions!

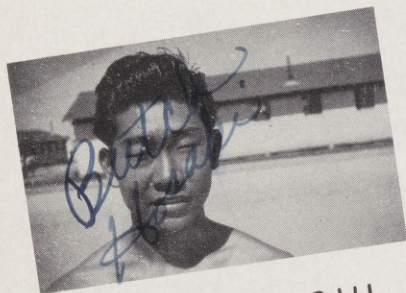

Playing basketball under somewhat crude conditions such as outdoor all dirt courts, dust storms, gale like winds, the vaunted Eagles swept through the season with but a single defeat to mar an otherwise perfect record.

Early in the league play, the fast-breaking Oujes downed the Eagles by a fifteen point margin. After this temporary setback the team completed the remaining games of the schedule without a defeat, throwing the division championship into a three way tie. In the play-off series, both the Oujes and Gophers fell victim to a race-horse, fast breaking offense and the Eagles perched on top of the American League.

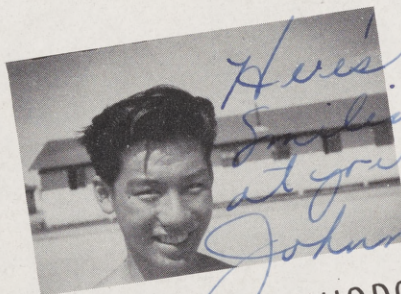

The Nightmares, champions of the National League, and boasting two of the league's highest scorers met the Eagles in a three game championship series. In this series the 'regulars' salted away the first two games and doffed their uniforms in favor of the alternates who won the series by the greatest point margin. The team was guided by coach Pavelin.

Because of a late start in the season and the scarcity of outside competition, the Eagle horsehiders could only muster a five game schedule.

In the opener against Casa Grande, lack of hitting and poor fielding were the factors that led to a ten to three setback.

Mesa, second on the schedule, was downed three to two mainly through the superb pitching of Aisawa and timely hitting. Bunching five hits and producing three runs in the sixth inning, victory was achieved. It was our first game "outside" and the boys came through in fine style.

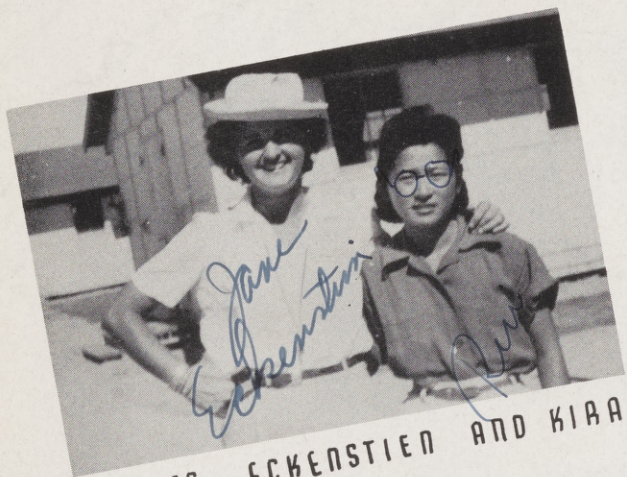

Two defeats in a row came next. Canal downed Butte ten to four and Peoria, outside, eked a three to one decision.

In the season's finale, Butte overwhelmed a Japanese All Star team from Glendale ten to nothing. The team was coached by Ken Tanaka.

# APPRECIATION

Dear Mitzie,  
 It's been swell  
 knowing you.  
 I want to wish all  
 your luck and happiness  
 for the future years.  
 Sincerely  
 Mitzie

THROUGHOUT THE FOUR MONTHS SPENT IN ASSEMBLING THE "YEAR'S FLIGHT," IT HAS BEEN HARD WORK BUT A LOT OF FUN. THE FINISHING TOUCHES HAVE BEEN MADE, AND NOW THE FIRST ANNUAL PUBLICATION ROLLS OFF THE PRESS.

LIKE ANY JOB WELL DONE THERE COMES THE TIME TO PASS OUT THE ORCHIDS TO THOSE WHO AIDED IN MAKING THE JOB A SUCCESS. TO THE MEMBERS OF THE ANNUAL AND THE ART STAFF, FOR THEIR OUTSTANDING WORK, I EXPRESS MY GRATITUDE.

THE FINANCING OF THIS PUBLICATION WAS ENTIRELY THROUGH THE EFFORTS OF THE STUDENTS. TO THE STAFF OF THE KAMPUS KARNIVAL GOES HOSTS OF CREDIT, FOR ONLY THROUGH THEIR EFFORTS WAS IT POSSIBLE TO FINANCE THIS YEAR BOOK.

THANKS TO JIM AND DENIS TERRY AND THE TEACHERS WHO CONTRIBUTED IN THE PHOTOGRAPHY WORK.

SO UNTIL THE NEXT YEARS FLIGHT ROLLS OFF THE PRESS. "HAPPY MEMORIES"
